Our clients know that our candidates are some of the best qualified candidates in the industry. However, our fees are among the most competitive in the market. Each placement comes with a thirty-day cash back guarantee, because we are that confident in our ability to match the right candidates with our clients' needs.

Staff Augmentation

Staff Augmentation is the best method for dealing with temporary staffing needs during peaks workloads. Clients are able to enjoy reasonable hourly or fixed rates for highly skilled IT professionals.
